

KALAN

F I N A N C E

Kalan Finance provides debt and lending solutions to clients for mortgages on main or second homes, investment properties and commercial projects.

Our experience and contacts give us excellent access to banks and private lenders.

Kalan Finance:

- Has senior relationships with lenders at decision-making levels
- Has a thorough knowledge of all mortgage providers and their products
- Searches the entire market to find the best product from the most appropriate lender
- Provides a free price check service – if you already have a mortgage offer we check the whole market to ensure you have the most suitable mortgage
- Does the paperwork for you; acting for and guiding you through the process to completion and beyond
- Has a clear and transparent fee structure

We can help with:

- Residential, commercial and corporate mortgages
- Bridging loans
- Buy to let mortgages
- Development finance
- Equity release and debt finance
- Remortgaging
- Debt consolidation
- Introductions to leading tax, legal and insurance providers
